- Floor Plans (3) – attached files
- Crime Scene photos – attached files
- Victim Information – inside file
 - White male, mid 40's, healthy
 - No wallet or identification
 - No signs of a struggle
- Physical Evidence - baggies
 - Fiber evidence – black and taupe fibers
- Laboratory Report (day 2) – attached file
- Autopsy (day 3) – verbal report
 - Cause of death undetermined
 - Possible suffocation or heart attach
 - High levels of Helium in the lungs
 - ICD – Implantable Cardioverter Defibrillator

Evidence File #1 – Ion Cyclotron Resonance Lab (ICR)

- Suspect Information
 - Hispanic male, 28, not married
 - Middle School Science Teacher
 - San Diego, California
- Suspect Interview – attached file
- Physical Evidence - baggies
 - Fiber evidence – black and taupe fibers
- Laboratory Report (day 2)

Evidence File #2 – Nuclear Magnetic Resonance Lab (NMR)

- Suspect Information
 - White female, 42, married w/3 children
 - Elementary Teacher, grade 5
 - Wichita, Kansas
- Suspect Interview – attached file
- Physical Evidence – baggies
 - Fiber evidence – black and taupe fibers
- Laboratory Report (day 2)

Evidence File #3 – Optical Microscopy Lab

- Suspect Information
 - African American male, 48, married
 - High School Science Teacher
 - Atlanta, Georgia
- Suspect Interview – attached file
- Physical Evidence - baggies
 - Fiber evidence – black and taupe fibers
- Laboratory Report (day 2)

Evidence File #4 – Cryogenics Lab

Suspect Information

Asian female, 26, single
Middle School Science Teacher
Phoenix, Arizona

Suspect Interview – attached file

Physical Evidence - baggies

Fiber evidence – black and taupe fibers

Laboratory Report (day 2)

Evidence File #5 – Millikelvin Lab

Suspect Information

White male, 32, married
High School Science Teacher
Quebec, Canada

Suspect Interview – attached file

Physical Evidence - baggies

Fiber evidence – black and taupe fibers

Laboratory Report (day 2)

Evidence File #6 – Electron Magnetic Resonance Lab (EMR)

Suspect Information

White female, 28, married
Elementary Teacher, 3rd grade
Quebec, Canada

Suspect Interview – attached file

Physical Evidence - baggies

Fiber evidence – black and taupe fibers

Laboratory Report (day 2)

Evidence File #7 – Electronics Shop

Suspect Information

African American female, 36, single
Middle School Science Teacher
Honolulu, Hawaii

Suspect Interview – attached file

Physical Evidence - baggies

Fiber evidence – black and taupe fibers

Laboratory Report (day 2)

Evidence File #8 – Geochemistry Lab

Suspect Information

White female, 48, married w/2 children
High School Science Teacher
Miami, Florida

Suspect Interview – attached file

Physical Evidence - baggies

Fiber evidence – black and taupe fibers

Laboratory Report (day 2)
